Additional questionnaires were used to collect data on slave inhabitants, mortality, agriculture, products of industry, and social statistics. These questionnaires collected the same information as those in 1850, with a few exceptions.

Instructions to Marshals and Assistants

The instructions to marshals and assistant marshals were virtually identical to those for the 1850 census, with the exception of guidelines for collecting information on a few additional/modified inquiries. There were slight changes in the instructions' wording; however, these served only to clarify the 1850 instructions.
