

WOMENS LIB

Have you ever had a women buy a beer for you
I think it was the coolest thing that ever happened to me
I gave her my telephone number
I was like give me a call baby then maybe we'll see

I've never had a sugar mama
I've never been a sugar baby
All of this sounds pretty damn good to me

Larkin she wouldn't dance to my songs
Now she's gone now she's gone
I understand that compromise is part of a relationship
But when you compromise everything something is gone
it's usually your self

Now I'm a man back out on the lamb
Talk'n to every women that I can
There's another woman on the horizon
My pulse is racing my pressure is rising

Have you ever had a women buy a beer for you
I think it was the coolest thing that ever happened to me
I gave her my telephone number
I was like give me a call baby then maybe we'll see

I've never had a sugar mama
I've never been a sugar baby
All of this sounds pretty damn good to me

Take it down take it one step lower
Do you blame yourself do you think you owe her
An explanation about who you are
About the unconventional methods for reaching the stars

Thought I saw it out of the corner of my eye and then it was gone
