

NEW VIEWS OF THE UNIVERSE

EXTRA DIMENSIONS DARK ENERGY AND COSMIC ADVENTURES

Monday, Dec. 12, 2005, 7 p.m.

Harris Theater in Chicago's Millennium Park, 205 E. Randolph St.
The event is free and open to the public. No reservations required.

Join us as five of world's leading cosmologists and National Public Radio's Ira Flatow debate some of the most exciting topics in cosmology and all of science:

- What happened in the earliest moments after the Big Bang?
- What is the nature of the mysterious Dark Energy?
- Are there Extra Dimensions beyond the three we know about?
- Do Parallel Universes or Multiverses exist?

Panelists: Wendy Freedman, Rocky Kolb, Lawrence Krauss, Lisa Randall, Michael Turner.
The debate will be followed by book signings by the panelist authors.
