AROUND THE CHASE…

- **Annual Block Party.** This elegant outdoor event will be held on Sunday, October 4, rain or shine, at the South end of the complex. Once again, Ricky Agranoff has kindly consented to prepare the meat dishes (paid for by HC). If you have not come before, come on over—it’s terrific! Please be sure to mark your calendars now! Also, please bring a dish to pass (appetizer, salad, casserole, dessert, your signature dish—whatever you want). There is always a good variety of wonderful dishes to surround the meat dish. Also, please bring your own drink(s). We will begin at 5:30p.m. with drinks and appetizers, move forward as the weather and crowd indicates with the main meal, and then finish with dessert. So, come on over to 1964 for an outstanding full meal! **We need to know how many to expect (in terms of meat preparation)...**so, please e-mail or phone Sandy or Ricky as soon as you know your plans.

- **Fall round of TGIF Garage Parties.** Follow up on the Annual Block Party by coming to the Garage Parties at 1964 on each of the four remaining Fridays in October at 6:00p.m. – October 9, 16, 23, and 30. Bring your own drink. Huron Chase will provide light grazing food. These events promote neighborhood awareness and friendliness (as does the Block Party). We co-own property together and it is critical that we get along well with each other so that as important decisions of various sorts come to the fore they can be handled in a peaceful manner.

- Thanks to the landscaping committee for submitting its report to the Board. The Board asked Jeff Dobbs to obtain a variety of bids for various landscaping services as they think about various future allocations.

- If you are considering having work done by a contractor, please share your plans directly, in advance, with one or more of the three Board members. Things work most efficiently and pleasantly when plans are clear in advance of action. The Board has many years of experience in leadership in a number of different directions (within and outside Huron Chase) and is there to be helpful with action…please feel free to take advantage of Bill’s, Andy’s, and Ricky’s administrative and other expertise.
