Wards

SECTION 1.3.

- (a) The City shall be divided into five (5) wards, but no more than five (5) wards, the boundaries of which shall be determined by action of the Council, as provided by Michigan law, and according to the following standards:
 - (1) Each of the five wards, as far as is practically possible, shall be compact, contiguous, regular in shape and shall follow or conform to natural boundaries and limits so as to provide the least possible change or alteration of existing ward boundaries.
 - (2) The five wards should each have the general character of a pishaped segment of the City with the point of such segment lying near the center of the city so as to make each ward a very rough cross section of the community population from the center outward.

- (3) Each of the five wards should be maintained with a population as nearly equal to the population of the other four wards, as is practically possible, on the basis of the last preceding federal decennial census.
 - (4) Existing ward boundaries shall be continued until the Council has taken action as required by State law and as provided herein.
- (b) Whenever any territory is annexed to the City, the Council shall forthwith, by ordinance, provide for including such territory in an adjoining ward or wards as the case may be.
 - (c) The wards of the City shall be divided into election precincts in the manner provided and required by law.

It shall be deemed due and legal authority for a levy of the amount necessary to be raised by taxes upon real and personal property subject to the provisions of Section 8.7 of this chapter. If any budget adopted in this manner requires an amount to be raised by taxes upon property in excess of the limitation provided in Section 8.7 hereof, the budget and appropriations and each item thereof shall be adjusted by the City Administrator to conform to such limitation.

If, for any cause, a quorum of the Board of Review does not assemble, or in the event that the Board fails or refuses to act during the days set for the meeting thereof, the roll as prepared by the Assessor shall stand as if approved by the Board of Review, without further formality. After the review of the assessment roll has been completed and the roll endorsed and signed as required by law, the Board of Review shall re-deliver the roll to the Assessor.

The City may hold, lease, or sell the property so acquired. Any such acquisition shall be deemed for a public purpose.

CHAPTER 10 SPECIAL ASSESSMENTS

General Powers Relative to Special Assessments

SECTION 10.1. The Council may determine the necessity for any public improvement, and determine that the whole or any part of the cost thereof shall be defrayed by special assessment upon the property especially benefited. The Council may authorize public improvements other than those for which petitions have been filed, whether the cost thereof is to be defrayed from the general funds of the City or by special assessments upon the property especially benefited.

Petitions for Public Improvements

SECTION 10.2. Petitions for making public improvements, any part of the expense of which is to be borne by special assessments, shall be filed with the Clerk. All such petitions filed during any calendar year shall be considered by the Council not later than January 31st of the next calendar year.

Preliminary Resolution for Public Improvement

SECTION 10.3. No control or expenditure, except for the necessary procedures of the Council and for the preparing of necessary profiles, plans, specifications, and estimates of cost, shall be made for any public improvement, the cost of which is to be paid by

special assessment upon the property especially benefited thereby, until the Council has passed a resolution determining to proceed with such public improvement.

Assessments on Single Lots

SECTION 10.4. When any expenditure is made on account of any separate or single lot, parcel of land, or lands, or premises, which, by the provisions of this charter or by law, the City is authorized to charge and collect as a special assessment against the same, and which assessment is not of that class of special assessment required to be made pro rata upon lots or parcels of land in a special assessment district, a statement of the labor or services for which such expenditure was incurred, verified by the Controller, with a description of the lot and the name of the owner or person chargeable therewith, if known, shall be reported to the Council in the manner prescribed by it. The Council shall determine the part of such expenditure that shall be charged, and the person against whom, if known, and the premises upon which the same shall be levied, as a special assessment. As often as the Council deems expedient, the Clerk shall give notice of the several amounts so determined and reported to the several persons chargeable therewith. Such notice shall be sent by first class mail to the last known addresses of such persons as shown on the assessment roll of the City, or by publication. Such notice shall state the basis of the assessment, and the amount thereof, and shall give a reasonable time, not less than thirty days, within which payment shall be made to the Treasurer. In all cases where payment is not made within the time set, the fact shall be reported by the Treasurer to the Assessor, who shall charge such amounts, together with a penalty of ten per cent of such amounts against the persons or real property chargeable therewith, on the next tax roll.

Such notice shall be filed within fifteen days after the date of the resolution of the Council confirming the assessment roll for such improvement, or, in the

case of an assessment upon a single lot or premises, ordering the special assessment. Any such suit or action must be commenced within ninety days following the giving of notice.

Reassessment for Benefits

SECTION 10.8. Whenever the Council deems any special assessment invalid or defective, or whenever a court adjudges an assessment to be illegal in whole or in part, the Council may cause a new assessment to be levied for the same purpose, whether or not the improvement or any part thereof has been completed, or any part of the special assessment collected. In reassessment proceedings hereunder, it shall not be necessary for the Council to redetermine the necessity of the improvement or to hold a hearing thereon. If any portion of the original special assessment is collected and not refunded, it shall be applied upon the reassessment, and the reassessment shall to that extent, be deemed satisfied. If more than the amount reassessed is collected, the balance shall be refunded to the person making such payment.

Unless approved by the affirmative vote of three-fifths of the electors voting thereon at a regular or special election, the City shall not sell, exchange, lease, or in any way dispose of any property, easement, equipment, privilege, or asset needed to continue the operation of any municipal utility furnishing water, gas, electric power, or transportation service. All contracts, grants, leases, or other forms of transfer in violation of this section shall be void and of no effect as against the City. The restrictions of this section shall not apply to the sale or exchange of articles of machinery or equipment of any municipally owned public utility, which are no longer useful or which are replaced by new machinery or equipment, or to the leasing of property not necessary for the operation of the utility, or to the exchange of property or easements for other needed property or easements.

Rates

SECTION 15.4.

- (a) The Council shall fix just and reasonable rates and such other charges as may be deemed advisable for supplying municipal utility services to the inhabitants of the City and others. Discrimination in rates within any classification of users shall not be permitted, nor shall free service be permitted. Increased rates shall be charged for service outside the corporate limits of the City.
- (b) The rates and charges for any municipal utility shall be fixed on a basis at least adequate to compensate the City for the cost of such service. Transactions pertaining to the ownership and operation of each municipal utility shall be recorded in a separate group of accounts, which shall be classified in accordance with generally acceptable utility accounting practices. Charges for all service furnished to, or rendered by, other city departments or administrative units shall be recorded. An annual report shall be prepared to show the financial position of each utility and the results of its operation. A copy of such report shall be available for inspection at the office of the Clerk.

Collection of Municipal Utilities Rates and Charges

SECTION 15.5.

- (a) The Council shall provide by ordinance for the collection of rates and charges for public utility services furnished by the City. When any person fails or refuses to pay to the City any sums due on utility bills, the service upon which such delinquency exists may be discontinued and suit may be brought for the collection thereof.
- (b) Except as otherwise provided by law, the City shall have as security for the collection of all charges for utility services furnished by it a lien upon the premises to which such utility services were supplied and, for such purposes, shall have all the powers granted to cities by law. Such lien shall become effective immediately on the distribution or supplying of such utility services to such premises.
- (c) Except as otherwise provided by law, all unpaid charges for utility services furnished to any such premises, which, on the thirty-first day of March of each year, have remained unpaid for a period of three months or more, shall be reported by the Controller to the Council at the first meeting thereof in the month of April. The Council thereupon shall order the publication in a newspaper of general circulation in the City of notice that all such unpaid

utility charges not paid by the thirtieth day of April will be assessed upon the City's tax roll against the premises to which such utility services were supplied or furnished, and such charges shall then be spread upon the City's tax roll and shall be collected in the same manner as the city taxes.

- (d) As further security for the payment of charges for utility services, the Council may require meter deposits of occupants of premises to which such services are supplied.

Public Utility Franchises

SECTION 15.6. The City may grant a franchise to any person for the use of the streets and other public places of the City for the furnishing of any public utility service to the City and its inhabitants, franchises and renewals, amendments, and extensions thereof shall be granted only by ordinance. Public utility franchises shall include provisions for fixing rates and charges, and may provide for readjustments thereof at periodic intervals. The City may, with respect to any public utility franchise granted after the effective date of this charter, whether or not so provided in the granting ordinance:

- (1) Repeal the same for the violation of any of its provisions, for the misuse or non-use thereof, or for failure to comply with any provision thereof, or for failure to comply with any regulation imposed under authority of this section;
- (2) Require proper and adequate extension of plant and the maintenance thereof at the highest practicable standard of efficiency;
- (3) Establish reasonable standards of service and quality of products, and prevent unjust discrimination in service or rates;
- (4) Require continuous and uninterrupted service to the public in accordance with the terms of the franchise throughout the entire period thereof;
- (5) Impose other regulations determined by the Council to be conducive to the health, safety, welfare, and convenience of the public.
- (6) Require the public utility to permit joint use of its property and appurtenances located in the streets, alleys, and public places of the City, by the City and other utilities, insofar as such joint use may be reasonably practicable and upon payment of reasonable rental therefor, and, in the absence of agreement, upon application by the public utility, provide for arbitration of the terms and conditions of such joint use and the compensation to be paid therefor;
- (7) Require the public utility to pay any part of the cost of improvement or

maintenance of the streets, alleys, bridges, and public places of the City, that arises from its use thereof, and to protect and save the City harmless from all damages arising from such use;

- (8) Require the public utility to file with the Clerk a true copy of each financial report which is filed by it with any agency of the State or the United States and such other reports concerning the public utility and its financial operation and status as the Council may request.

Limitations on the Granting of Franchises

SECTION 15.7. No franchise shall be granted by the City for a term exceeding thirty years and no exclusive franchise shall ever be granted. Each franchise shall include a provision requiring the franchise to take effect within one year after the adoption of the ordinance granting it, except in the case of grants to take effect at the end of an existing franchise. An irrevocable franchise and any extension or amendment of such franchise may not be granted by the City, unless it has first received the affirmative vote of at least three-fifths of the electors of the City voting thereon at a regular or special election. A franchise ordinance may be approved by the Council, for referral to the electorate, only after a public hearing has been held thereon and after the grantee named therein has filed with the Clerk the franchisee's unconditional acceptance of all the terms of the franchise. No special election for such purpose may be ordered by the Council, unless the expense of holding such election, as determined by the Council, has first been paid to the Treasurer by the grantee.

Procedure for Granting Franchises

SECTION 15.8. Every ordinance granting a franchise, license, or right to occupy or use the streets, highways, bridges, or public places in the City shall remain on file with the Clerk for public inspection in its final form for at least thirty days before the final adoption thereof, or the approval thereof for referral to the electorate.

Sale or Assignment of Franchises

SECTION 15.9. The grantee of a franchise may not sell, assign, sublet, or allow another to use the same, unless the Council gives its consent: Provided, That, nothing in this section shall limit the right of the grantee of any public utility franchise to mortgage its property or franchise, or shall restrict the rights of the purchaser, upon foreclosure sale, to operate the same, except that such mortgagee or purchaser shall be subject to the terms of the franchise and provisions of this chapter.

CHAPTER 16 CONTROLLED SUBSTANCES

Restrictions on Alcoholic Beverages

SECTION 16.1. The City Council, in addition to the powers and duties specially conferred upon them by this Charter and law, shall have power, within said city, to enact, make, continue, modify, establish, amend and repeal such ordinances, by-laws

and regulations as they may deem desirable, within said city, for the following purposes:

To forbid and prevent the vending or other disposition of liquors and intoxicating drinks in violation of the laws of this State, and to forbid the selling or giving to be drunk any intoxicating or fermented liquors to any common drunkard, or to any child or young person. (*Amended by elections of April 6, 1964, November 3, 1964, November 8, 1966, and April 7, 1969*)

Restrictions of Marijuana

SECTION 16.2.

- (a) No person shall possess, control, use, give away, or sell marijuana or cannabis, which is defined as all parts of the plant *cannabis sativa* L., whether growing or not; its seeds or resin; and every compound, manufacture, salt, derivative, mixture, or preparation of the above, unless such possession, control, use, or sale is pursuant to a license or prescription as provided in Public Act 196 of 1971, as amended. This definition does not include the mature stalks of the plant, fiber produced from the stalks, oil or cake made from the seeds of the plant, any other compounds, manufacture, sale, derivative, mixture or preparation of the mature stalks, except the resin extracted therefrom, fiber, oil or cake, or the sterilized seed of the plant which is incapable of germination.

- (b) Violations of this section shall be civil infractions. Persons convicted of violating this section shall be fined \$25.00 for the first offense, \$50.00 for the second offense, \$100.00 for the third or subsequent offense and no incarceration, probation, nor any other punitive or rehabilitative measure shall be imposed. Fines and all other costs shall be waived upon proof that the defendant is recommended by a physician, practitioner or other qualified health professional to use or provide the marijuana or cannabis for medical treatment. The court may waive all or part of the fine upon proof that the defendant attended a substance abuse program. It is an affirmative defense to a prosecution under this section that the use or intended use of the

marijuana or cannabis relieves, or has the potential to relieve, the pain, disability, discomfort or other adverse symptoms of illness or medical treatment, or restores, maintains or improves, or has the potential to restore, maintain or improve, the health or medical quality of life of the user or intended user or users of the marijuana or cannabis. Requirements of this subsection shall not be construed to exclude the assertion of other defenses. *(Amended by election of April 2, 1990 and November 2, 2004)*

- (c) In all arrests and prosecutions for violations of this section, appearance tickets and the relevant procedures set forth in Public Act 147 of 1968, as amended, shall be used.
- (d) No Ann Arbor police officer, or his or her agent, shall complain of the possession, control, use, giving away, or sale of marijuana or cannabis to any other authority except the Ann Arbor city attorney; and the city attorney shall not refer any said complaint to any other authority for prosecution.
- (e) No Ann Arbor police officer, or his or her agent, shall complain and the city attorney shall not refer for prosecution any complaint, of the possession, control, use, giving away, sale or cultivation of marijuana or cannabis upon proof that the defendant is recommended by a physician, practitioner or other qualified health professional to use or provide the marijuana or cannabis for medical treatment. *(Amended by election of November 2, 2004)*
- (f) Should the State of Michigan enact lesser penalties than that set forth in subsection (b) above, or entirely repeal penalties for the possession, control, use, giving away, or sale of marijuana or cannabis, then this section, or the relevant portions thereof, shall be null and void. *(Amended by election of November 2, 2004)*
- (g) The people of the City of Ann Arbor specifically determine that the provisions herein contained concerning marijuana or cannabis are necessary to serve the local purposes of providing just and equitable legal treatment of the citizens of this community, and in particular of the youth of this community present as university students or otherwise; and to provide for the public peace and safety by preserving the respect of such citizens for the law and law enforcement agencies of the City. *(Amended by election of November 2, 2004)*

(Section 16.2 added by election of April 2, 1974)

CHAPTER 17 EMPLOYEES RETIREMENT SYSTEM

Establishment of System

SECTION 17.1. All rights and benefits heretofore accruing to any person under a previous City Retirement System shall remain in full force and effect.

- (c) The election of member Trustees provided in paragraphs (3) and (4) of subsection (a) of this section shall be held under such rules and regulations as the board shall from time to time adopt.

- (d) The regular term of office of the appointed citizen Trustees shall be three years. If a vacancy occurs in the office of Trustee, the Mayor, within thirty days of the date of vacancy, shall fill the vacancy by appointment for the unexpired term. Each such appointee shall be a representative of the group in which the vacancy occurs.
- (e) The Council by ordinance shall provide for the holding of regular Board meetings, for the selection of Board officers and for other administrative matters relating to the Board.

Special Tax

SECTION 17.3. The Council shall cause to be levied each year a City Employee Pension and Benefit Tax not to exceed two and one-half mills on all taxable real estate and personal property situated within the City. This tax shall be used for making payments into pension or benefit funds maintained by any unit of government for the retirement or disability of City Employees. This tax shall be in addition to any other limitation imposed on the tax rates of the City by Charter provision or State law. *(Amended by elections of April 1, 1968 and April 17, 1969)*

CHAPTER 19 RENTAL ACTS

TRUTH IN RENTING

Statements of Local Problems and Purpose

Section 19.1. The people of the City of Ann Arbor find that a serious and persistent problem exists for City tenants in protecting their legal rights as tenants due to tenants' lack of reliable information concerning their legal rights and duties with regard to their housing.

Specifically, the people find that even after several years of distribution of a required City tenants' rights and duties booklet, a majority of City tenants are unable to answer correctly even simple questions concerning their legal rights; that the City-written booklets, which are meant to explain many of the tenants' rights and duties, are inadequate insofar as much necessary and important legal information is omitted or unreasonably compromised by City-appointed authors for reason of political necessity; that these City-written booklets which every landlord has been required by law to give to each of his or her tenants are frequently not distributed to tenants, and landlords are not prosecuted for their repeated failures; that leases, which should be a source of accurate information concerning tenants' rights and obligations frequently contain invalid, unenforceable and misleading terms written by many City landlords, and tenants are often unaware of where they can go for legal help and advice concerning their rights and duties.

The result is that tenants' rights to repairs and other legal rights are frequently misrepresented and abused, and tenants who do not know their rights and duties cannot prevent such abuse. Unless the problem is corrected, serious threats to the health, safety, and welfare of City residents will continue unabated.

The purpose of this Truth in Renting Act is to equip City tenants with knowledge to protect their legal rights, and therefore to help protect the health, safety and welfare of the City's residents.

Definitions

SECTION 19.2. For the purposes of this law only:

- (a) "Landlord" means an owner, lessor, or sublessor of the rental unit or the property of which it is a part when the owner, lessor or sublessor is a commercial provider of residential rental property, and in addition means a person authorized to exercise any aspect of the management of the premises, including a person who, directly or indirectly, acts as a rental agent, receives rent or any part thereof, other than as a *bona fide* purchaser, and who has no obligation to deliver the whole of such receipts to another person.
- (b) "Commercial provider of residential rental property" means a person, partnership, corporation or other legal entity in the business of renting one or more units of residential rental property; and does not include a person who sublets the dwelling used for his or her personal home for part of the term, and does not include a person who rents his or her home occasionally during temporary absences such as while on vacation or sabbatical.
- (c) "Tenant" means any person who occupies a residential rental unit with the landlord's consent for an agreed upon consideration.
- (d) "Rental unit" means a structure or part thereof used as a home, residence or sleeping unit by a single person or household unit, or any grounds or other facilities or area promised for the use of a residential tenant and includes, but without limitation, apartment units, boarding houses, rooming houses, mobile home spaces and single and two-family dwellings.
- (e) "Rental agreement" means an agreement, which establishes or modifies the terms, conditions, rules, regulations or any other provisions concerning the use and occupancy of a rental unit.

Deceptive Clauses Prohibited

SECTION 19.3. No landlord may include in a rental agreement for a rental unit located in the City of Ann Arbor a clause which the landlord knows to be deceptive and which purports to take away a right of a tenant which cannot be taken away by contract under Michigan law.

Notice Required; Form and Contents

SECTION 19.4.

- (a) Every landlord renting a rental unit located within the City of Ann Arbor shall give the tenants of each rental unit a notice as required below.
- (b) If the landlord is required by Act 348, 1972, effective April 1, 1973, of the State of Michigan, to give notice to the tenant pursuant to Sec. 3 of said act, the notice required below shall be on the same document and just below the notice required by that act.
- (c) If the landlord is not required by Act 348, 1972 to give notice to the tenant pursuant to Sec. 3 of said act because the landlord does not require a security deposit, or because Act 348, 1972 is legally invalid for any reason, or for any other reason; or if Sec. 19.3(b) hereof is legally invalid for any reason, then the notice required hereunder shall be in a written instrument or in the lease if written, given or mailed to the tenant by first class mail no later than 14 days from the date the tenant assumes possession, and shall also be in a written instrument or in the lease, if written, given or mailed to the tenant by first class mail no later than 14 days after the renewal of any lease.
- (d) The landlord of a sublessor of a rental unit, which sublessor is not a commercial provider of residential rental property, when the landlord participates in the sublease arrangement by approving the subtenants, providing the sublease or rental agreement, or making any rule limiting the sublease, shall provide the subtenants the notice required hereunder in a written instrument or in a written lease, given or mailed to the subtenants by first class mail no later than 14 days from the date the subtenants assume possession.
- (e) The notice shall be in eleven point boldface type or larger.
- (f) The notice shall be surrounded by a solid black border at least one-eighth inch thick, shall be the only notice on the document enclosed by a border, and shall have at least one-half inch white space between the interior of the border and the notice type; and at least one inch white space between the exterior of the border and any type outside of the border, and at least one inch white space between the exterior of the border and the page edge.
- (g) The content of the notice shall be in exactly the following words and word order:

"Some things your landlord writes in the lease or says to you may not be correct representations of your rights."

"Also, you may have rights and duties not mentioned in your lease. Such rights may include rights to repairs, rights to withhold rent to get repairs done, and rights to join a tenants union or to form your own union. Such duties may include the duty to pay rent due and the duty not to cause a serious health hazard or damage beyond reasonable wear and tear."

"Additionally, some lease clauses may be subject to differing legal interpretations. If you think that a clause in your lease or something your landlord says to you is unfair, you may contact your own lawyer, legal aid society, or tenants union lawyer for their opinions."

Criminal Remedies

SECTION 19.5.

- (a) Failure by any person to comply with this law by failure to provide a tenant with notice in the form, content and manner set forth herein, or by inclusion in a lease a clause known by the person to be deceptive or invalid under Michigan law, shall be a misdemeanor punishable by a fine of zero to \$25.00 and in the case of second offense, committed after conviction for a first offense under this law, by a fine of zero to \$500.00 or imprisonment for zero to 90 days, or both, in the discretion of the court.
- (b) Violations of this provision may be prosecuted by the Office of the City Attorney. Said prosecution shall not bar nor be barred by any civil action by any person, nor by any other prosecution by any other authority for other criminal violations.

Date of Effect of This Law

SECTION 19.6. The requirements of this section shall take effect for all leases or tenancies entered into on and after the ninety-first day following the addition of this chapter to the Charter.

(Sections 19.1-6 added by election of April 6, 1978)

FAIR RENTAL INFORMATION

Statements of Local Problems and Purpose

SECTION 19.7. The people of the City of Ann Arbor find that a serious and persistent problem exists for City tenants in protecting their legal rights as tenants due to tenants' lack of reliable information concerning their rights and duties with regard to their housing.

Specifically, the people find that even after several years of distribution of a required City tenants' rights and duties booklet, a majority of City tenants are unable to answer correctly even simple questions concerning their legal rights; that the City-written booklets, which are meant to explain many of the tenants' rights and duties, are inadequate in so far as much necessary and important legal information is omitted or unreasonably compromised by City-appointed authors for reason of political necessity; that these City-written booklets, which every landlord has been required by law to give to each of his or her tenants, are frequently not distributed to tenants, and landlords are not prosecuted for their repeated failures; that leases, which should be a source of accurate information concerning tenants' rights and obligations, frequently contain invalid, unenforceable and misleading terms written by many City landlords, and tenants are often unaware of where they can go for legal help and advice concerning their rights and duties.

The result is that tenants' rights to repairs and other legal rights are frequently misrepresented and abused, and tenants who do not know their rights and duties cannot prevent such abuse. Unless the problem is corrected serious threats to the health, safety, and welfare of City residents will continue unabated.

The people find that the advocacy system, in debates, newspapers, courts and in every arena where free expression is practiced, has long been established as an effective means of allowing the recipient of the information to get a fair and accurate point of view.

The people find that if knowledgeable spokespeople for landlords and tenants present their respective materials, tenants will get a fairer presentation of their duties, rights and associated information which the respective sides deem relevant. In this fashion the City finds that tenants will be better able than before to secure and enforce just human rights which are associated with their health, safety, and welfare.

Passage of this act is intended to increase the flow of information in the City, not reduce it, and is not intended to interfere with the right of the City or any person to disseminate any other booklet or information to any person.

- (l) Once a year, each section of the booklet shall be reapproved or amended or rewritten at the sole discretion of the respective appointed authors.
- (m) The City shall have the booklets printed and ready two weeks after they are written, and shall keep an adequate supply on hand.
- (n) The Mayor may extend the time limits for selection of authors and preparation of the booklet only as absolutely essential to production of the booklet.

Selection of Advocate Authors

19.10. Selection of the advocate authors will be made by the Mayor, subject to the following:

- (a) Within 30 days after the effective date of this charter amendment, and within 30 days after a new mayor takes office if that mayor desires to replace authors, and within 30 days after notice of resignation or death of an author, the Mayor will solicit applications for the respective author position or positions to be filled. Solicitation will be through adequate notice, reasonably calculated to provide actual notice, in a newspaper of general circulation in the City of Ann Arbor and through notice to bona fide landlord and tenant groups who request such notice, and through any other reasonable means.
- (b) Applications will be taken for four weeks after adequate notice of the request for applicants, which notice will state the deadline for submission of applications and qualifications for applicants.
- (c) Advocate authors must be members of the State Bar of Michigan.
- (d) Within two weeks after applications are closed the Mayor will choose the advocate authors based only on their qualifications for these posts. There will be three landlord advocate authors and three tenant advocate authors.
- (e) Qualifications for the post of tenant advocate author shall include the following qualifications whose respective importance shall be weighed by the Mayor in his or her good faith discretion to produce the most qualified authors:
 - (1) endorsement by bona fide tenant groups
 - (2) membership in bona fide tenant groups
 - (3) experience representing tenants in legal case work
 - (4) experience writing pro-tenant information concerning landlord/tenant law
 - (5) experience representing tenant groups in writing landlord/tenant legislation
 - (6) experience representing tenant groups in negotiating landlord/tenant legislation
 - (7) absence of conflict of interest with a pro-tenant position

- (8) clear dedication to pro-tenant advocacy

In the making of a selection or renewal of a selection, the Mayor may not consider the content of the author's contribution to the booklet, but only the author's qualifications.

- (f) Qualifications for the post of landlord advocate author shall include:
 - (1) endorsement of bona fide landlord groups
 - (2) membership in bona fide landlord groups
 - (3) experience representing landlords in legal case work
 - (4) experience writing pro-landlord information concerning landlord/tenant law
 - (5) experience representing landlord groups in writing legislation
 - (6) experience representing landlord groups in negotiating landlord/tenant legislation
 - (7) absence of conflict of interest with a pro-landlord position
 - (8) clear dedication to pro-landlord advocacy

In the making of a selection or renewal of a selection, the Mayor may not consider the content of the author's contribution to the booklet, but only the author's qualifications.

- (g) The most qualified applicants shall be chosen by the mayor as the advocate authors.
- (h) The City shall provide no compensation to any author for work on the booklet.

In the event that no qualified people apply, the Mayor shall use all reasonable means to find and appoint the most qualified applicants available.

- (i) The term of each author shall be until the author resigns or until a new mayor not the mayor who appointed the author selects new authors as provided for herein. In the event that an author resigns, the mayor shall temporarily replace that author until the selection of a regular replacement author.

Distribution of Booklets

19.11. The City Clerk shall make the three-section booklets available to local landlords and their agents to pick up without charge for distribution by local landlords to tenants and prospective tenants. Tenants and prospective tenants also may pick up a copy of the book at the City Clerk's office without charge. In collating the booklets the City shall put the city-written section first in order. In half of the booklets the tenant advocate section will be second and the landlord advocate section will be third. In one half of the booklets the landlord advocate section will be second and the tenant advocate section third. Nothing about the collating and distribution of the booklet may unnecessarily interfere with the tenants' notice of the information. The City shall make available to local landlords sufficient copies of the booklet to permit those landlords to comply with this section. In the event the Clerk makes available to local landlords sufficient copies of the booklet to permit those landlords to comply with this section, no owner of rental property located in Ann Arbor or agent of such an owner shall lease or contract to lease such property without furnishing to the tenant, before the time of leasing or contracting, a copy of the most current edition of said booklet. Landlords with leases or contracts to lease entered into 30 or more days after the chapter is passed and still unexpired 30 days after the City Clerk has published notice of availability of booklets under this chapter, must distribute the booklet to their tenants prior to receiving rent even if those tenants received a tenants' rights and duties booklet required by a city ordinance. In the event a housing unit is being leased to more than one tenant, it shall be sufficient to give a single booklet for each housing unit. In the event the lease or contract to lease is accomplished by mail, rather than face to face, the booklet shall be furnished the tenant by mail. A landlord shall be deemed to have furnished a tenant a copy of the booklet if the landlord mails it to the tenant or gives a copy of the booklet to the tenant in person. For purposes of this section, the renewal of a lease shall be considered the same as the making of a new lease; however, if a landlord has previously furnished the tenant or tenants of a unit with a copy of the booklet, the landlord is not required to furnish another copy upon lease renewal to the identical group of tenants, unless the previous booklet has been succeeded by a new edition with changes in it, or unless the time since the tenants have been given a booklet exceeds 1-1/2 years.

Notice, Date of Effect

SECTION 19.12. This chapter shall only apply to leasing and contract to lease transactions entered into 30 days or more after the passage of the chapter. Landlords shall not be required to distribute booklets under this chapter until 30 days after the City Clerk has published in a newspaper of general circulation in Ann Arbor a notice to landlords informing them of this section and of the availability of said booklets at the City Clerk's office. The Clerk shall publish such notice promptly upon receipt of such booklets from the City of Ann Arbor. This chapter shall apply only to residential leases.

Enforcement

SECTION 19.13.

- (a) Failure by any person to comply with this law by failure to provide a tenant with a booklet in the form, content and manner set forth herein, shall be a misdemeanor punishable by a fine of from zero to \$500.00 in the discretion of the court, but may not be punished by jail.
- (b) Violations of this provision may be prosecuted by the Office of the City Attorney. Said prosecution shall not bar nor be barred by any civil action by any person, nor by any other prosecution by any other authority for other criminal violations.

CHAPTER 20 ZONE OF REPRODUCTIVE FREEDOM

Declaration of Zone

SECTION 20.1. The people of the City of Ann Arbor declare the City to be a Zone of Reproductive Freedom.

Restrictions on Reproductive Freedom

SECTION 20.2.

- (a) No person within the City of Ann Arbor shall violate any law, rule, or regulation of this state which restricts or prohibits the right of any woman to an abortion, or which restricts or prohibits the right of a person to perform an abortion, as such right existed on January 20, 1981.
- (b) Any violation of Section 20.2(a) shall be subject to a sentence of up to \$5.00, including judgment fees and costs, and no probation or any other punitive or rehabilitative measure shall be imposed; provided, however, that this section shall not be construed to prohibit deferred sentencing. The District Court clerk shall accept any plea of guilty, which is made in the same manner as admissions of responsibility are accepted at the Parking Violations Bureau of the Fifteenth District Court as of December 1, 1989. Persons of any age pleading guilty of violations of this section shall be allowed to tender the sum of \$5.00 to the District Court clerk as a full and complete satisfaction and

discharge of liability, and no appearance before a district judge or other judicial officer shall be required.

- (c) In all arrests and prosecutions for violation of this section, appearance tickets and the relevant procedures set forth in Public Act 147 of 1968, as amended, shall be used.
- (d) No city officer, agent, or employee shall complain of the violation of Section 20.2(a) to any other authority except the Ann Arbor city attorney; and the city attorney shall not refer any said complaint to any other authority for prosecution.
- (e) The people of the City of Ann Arbor specifically determine that the provisions contained in this chapter are necessary to serve the local purposes of providing just and equitable legal treatment of the citizens of this community, and in particular those women seeking safe abortions; and of providing for the public peace and safety by preserving the respect of such citizens for the law, and for the law enforcement agencies of the City. Such provisions are necessary within the City because of the widespread local support for reproductive freedom.
