Presents
The Annual Labor Day Weekend Waterford Hills Event
Waterford, MI
Sunday, September 2, 2007

Event:
This is an open event for ALL CARS and ALL SAFE drivers. We intend this to be a fun, enjoyable, educational day at the track where you can drive at your car’s potential, and improve your driving skills. In this non-competitive event, we will give the maximum track time possible, rain or shine. Cars will be grouped by performance potential and drivers’ track experience. This is not a race.

Tentative Schedule:
8:00– 9:30 am  Tech Inspection & Registration
9:30 am  Mandatory Drivers’ Meeting
10:00 am   First Drivers Session Begins
12 noon  Lunch and Touring Sessions
12:30 pm  Restart Drivers’ Sessions
5:00 pm  Event Closes

Drivers Sessions:
Requirements
ALL helmets MUST be SNELL rated SA 1995 or later (eye shield or glasses for open cars) M rated helmets are accepted but not recommended, SNELL label must be visible. No exceptions will be allowed.
Roll bars for ALL open cars. Please call if you are planning to run a convertible.
Stock 3 point, 5 or 6 point harness (NO 2 point or 4 point- strictly enforced).

Remember, this is a non-competitive event- no wheel to wheel driving! You may be warned or dismissed for spinning, leaving the track surface, wheel-to-wheel driving or otherwise endangering yourself or others. Any car-to-car contact is grounds for expulsion from the event. We intend this to be a safe and fun event. This is not a race.

Touring Sessions:
During the lunch break, all drivers will be allowed slow touring laps of the track (no helmet or roll bars are required). Speeds will be limited by pace cars, no passing will be allowed, passengers will be allowed, and all drivers’ session warnings will be enforced as well. “Touring Only” is available for $10.

Early Registration Fee:  AROC members:  $100
Invited Club members:       $105
Non-members:        $115
Touring Only, pay at track: $10

There will be a $20 fee increase for all applications postmarked/submitted August 26 or later.

There is a $20 fee for registering at the track on event day ($40 total fee increase).

Unlike past years, we have hired corner workers so that track day participants will not have to work between run sessions! Thus, our price has increased by $5 over last year. We think it’s money well spent, as it will allow much more time for drivers to relax and socialize between run sessions.

We will allow 55 drivers to register for the Drivers Sessions. Entries accepted in order of receipt, AROC members given first priority, invited club members second, non-members third.
