Team Homework Cover Sheet

Due date: _____________________  Team name (opt.): _____________________

Team members (please sign legibly):

Scribe _____________________  Clarifier _____________________
Reporter _____________________  Manager _____________________

Date and time of meetings:

___________________________________________________________________________________________

(This section to be filled in by the Reporter.)

How did this week’s meetings go? Please discuss your team’s difficulties and breakthroughs. If your team has any lingering doubts or differences of opinion about the solutions you are turning in, please talk about that here. Use additional blank sheets if necessary.

Please write down one question which came up during your meetings this week. If your team was able to resolve the question, explain how. If not, I’ll address it either in writing or in class.
