HIKING THE "GARDENS"

More than five miles of marked hiking trails provide access to the woodland area, meadows, and the glacial kettlehole.

The Kettlehole Trail (2/3 mile) is accessed from the Glacial Kettlehole parking lot.

Four other trails are accessed from the parking lot on the north side of Hidden Lake.

- Hiker’s Trail (3 miles)
- Pine Tree Trail (1 1/3 miles)
- Sassafras Trail (2/3 mile)
- All Use Trail (1/3 mile)

Please respect our gardens and wildlife while visiting our trails. Dogs must be kept on leashes and no bikes are allowed. Thank you.
