What I would like to do

- Go somewhere really warm
- Layout at the beach
- Swim in the ocean
- Do other fun things
  - Snorkel, parasail, jet ski, go to bar, etc.
This is what I really will be doing

- Working
  - I work full-time at Terumo Cardiovascular in Ann Arbor.
  - Make heart surgical products.
This is what I really will be doing

- Going to Atlanta, Georgia
  - To play ice hockey at the national tournament.
    - I play on the University of Michigan’s women’s team.
  - And maybe doing some sight seeing.
  - And, of course, winning the national tournament.

This is a picture of my team, however I am not in the picture
If I'm lucky I will also

- Be able to get some much needed sleep
- Relax and enjoy myself.
- Spend a lot time with my boyfriend, family, friends, and my puppy.

Conclusion

- Although I’m not going exactly where I would like…
  - Atlanta should still be warm!
  - I will be doing something I love to do (Hockey)
  - I am taking two days vacation from work!
  - I will have no homework!
