UM.Coursetools: Readiness Survey

The information gathered from this survey will help your instructor decide how best to use UM.Coursetools with your class. Your answers are anonymous.

1. How often do you access the internet or "surf the web?" At least once…
   - daily
   - weekly
   - monthly
   - in a while
   - in my lifetime

2. From where do you usually access the internet?
   - dorm room
   - campus computing site
   - off-campus housing
   - non-university public site
   - employer site

3. Typically, how satisfied are you with the speed and reliability of your internet connection when you view text or images?
   - very satisfied
   - satisfied
   - dissatisfied
   - very dissatisfied
   - don’t know - never tried it

4. Typically, how satisfied are you with the speed and reliability of your internet connection when you access audio or video?
   - very satisfied
   - satisfied
   - dissatisfied
   - very dissatisfied
   - don’t know - never tried it
5. How long have you been accessing the internet the way you do now?
   - not long - it's a new system or location for me
   - awhile - it's the same system and location I used last term
   - too long - and I'm ready for a change
   - almost forever - but I don't intend to change anytime soon

6. Which statement best describes your reaction when something goes wrong with the computer you're using?
   - I don't know what went wrong, and I don't care how to fix it.
   - I think I know what went wrong, but I don't know how to fix it.
   - I know what probably went wrong, and I think I can avoid it next time.
   - I know what went wrong, and I know how to fix it.

7. How confident are you that you can get the technical help you need, when you need it?
   - very confident
   - fairly confident
   - not very confident
   - I know I cannot get the help I need

8. Thank you for completing this survey. Please include any additional concerns you might have about using the web for this class.
