## Profile

My intent as a creative is to understand the broad implications artist and designer have on society. We are charged with designing the way others perceive information. In doing so, we have a responsibility to the public to thoughtfully convey that discourse.

## Experience

### Real Time Technology (RTT)

May 2008 – August 2008

Intern in the film and print division. Responsible for the organization and post-production compositing of the Chevy Cruze assets that debuted at the Paris Auto Show. Worked closely with the company's realtime development team to create a 16 and 32-bit compatible pipeline for their software implemented industry-wide, DeltaGen.

### Assistant Network Administrator, Walgreen Drama Center

September 2007 – Present

Currently working directly under the head network administrator to oversee 250 Apple computers which serve both faculty and students. Accountable for printer color calibration, network testing, and distribution of updates across the network. Also well acquainted with MacAdmin's network distribution software.

### Main Library, Michigan State University

September 2006 – April 2007

Employee in the university's book conservation division. Tracked and repaired vandalized, damaged and rare books by scanning, digitally restoring and reprinting. Arranged requests for missing pages through the Inter-Library Loan system, a nationwide network of sharing between universities.

### Work Manager, Luther Cooperative

January 2009 – Present

Responsible for the overall cleanliness of the house and management of long-term projects. Developed and coordinated a work schedule between two houses of fifty students and graduates of area universities and community colleges. Also accountable for fining individuals who did not complete work.

## Education

### University of Michigan, School of Art & Design

September 2007 – Present

BFA, art & design, focus in graphic design

### Michigan State University, James Madison Honors College

September 2006 – April 2007

Studied political theory and constitutional democracy, transferred
