John Kerry for America

John Kerry for America,
And for the Red, White and Blue.
We need a man who stands for all of the people,
Not just the privileged few.
After 4 years of phony,
Crony,
Baloney—
It's time that the Bush gang be gone.
John Kerry has the vision,
The strength,
The courage,
To help us move on.
John Kerry for America,
And A-me-ri-ca for John!
