DIVEST
From Apartheid Israel.

* The catastrophe of 1948 (“Al Nakba” in Arabic) led to the mass deportation and exile of millions of Palestinians from their homes. Over 400 Palestinian villages were destroyed by Israeli forces.
* The racist state of Israel was established after forced evacuation of Palestinians from their homes.
* Torture and massacre of Palestinians continues to this day.

To end this shame of humanity, demand DIVESTMENT from Apartheid Israel today!
