You are invited to a Community Forum about an Ann Arbor CONTROVERSY:

"Seven Years of Synagogue Vigils: Why We Still Do It"

You've seen us on Saturday mornings on Washtenaw Ave. in front of Beth Israel Congregation holding signs critical of the State of Israel. We are the Jewish Witnesses for Peace and Friends, and peacefully demand that the Jewish community hold Israel accountable for its many crimes against humanity. On Tuesday, March 29, 2011, hear for yourself our reasons for continuing this vigil after over seven years.

TOPICS will include:
- Is criticism of Israel anti-Semitic?
- Does Israel have a right to be a Jewish State?
- Is the synagogue vigil protected speech under the First Amendment?
- Israeli crimes against the Palestinian people.
- How much does supporting Israel cost US?
