Protest Israel’s Ethnic Cleansing of Palestine
Thursday, December 11, 6:00 PM
Yspilanti Marriott at Eagle Crest

We will gather in peaceful protest at the intersection of Huron St. and
James L. Hart Parkway, just south of [I-94] Exit 183

Israel is funded in part by your tax dollars and monies raised by the
Jewish Federation of Greater Ann Arbor

The Federation is planning to raise one million dollars this Thursday.
At least 25% of these funds go directly to assist Apartheid Israel in
completion of their planned ethnic cleansing of the Palestinian People.

Help us protest this continued assault on the people of Palestine

* Answers: My name is Handala. My artist creator, Naji Salim Al-Ali
promised to expose my face at the end of Jewish Supremacism in
Palestine. He was assassinated in London in the summer of 1987.
