*“I am supporting Ali Ramlawi in his run for City Council. Ali has been a participant in our civic life for years. I have heard him speak in a straightforward manner on numerous issues at Council, where he has shown a thoughtful concern for the character and livability of our community. I look forward to his serving on Council, where he will be a fresh face who brings a different perspective from our usual political class.”*

– Vivienne Armentrout

---

*“Ann Arbor will benefit greatly with Ali on City Council. He is direct, honest, smart, and one of the hardest working people I’ve met. Ali will bring a different perspective to the debates on City Council. Over the past 24 years, he has built a successful business that employs more than 40 people. If Ann Arbor is serious about being economically diverse and supporting local businesses, we need Ali representing the 5th Ward and the entire city.”*

– Will Hathaway

---

*“It starts locally! Get out and vote in Ann Arbor if you want change in Ann Arbor. Marching is great. Voting is better. I’ve known Ali for 20 years and he’s been a better man than I over that time. He stands for integrity and transparency in our government. If*

*you want to know where your money goes and you want someone to tell you the truth, then here he is.”*

– Andrew Perry

*Ali Ramlawi is a good friend and he is one of the hardest working people I’ve met. He has integrity and is incredibly thoughtful. If you are one of my friends in Ann Arbor, do yourself a favor and vote for him. He cares about Ann Arbor, He is smart and he will work for you.*

Statement from Ali Ramlawi  
November 6 2017

During my campaign, there was an unfortunate oversight that led some in our community to believe that I agree with individuals and groups who hold fanatical, hateful and divisive viewpoints.

Nothing could be farther from the truth of the deeply held values that I have always lived by and stood for. I do not align myself and denounce members of our community who represent hateful and divisive ideologies and I do not count them among my supporters. MLive June 7, 2017.

I take full responsibility for this oversight and appreciate everyone’s understanding.
