

J.R.BARBER, ELASTICITY, 4th edition**ERRATA — last updated March 19, 2024**

Page 219, Equation (13.11)₁ should read

$$\sigma_{rr} = \sigma_{\theta\theta} = -\frac{2\mu B_y \cos \theta}{\pi(\kappa + 1)r};$$

[The factor of r is missing].

Page 591, The reference to Problem 36.11 should actually refer to Problem 36.16.
