The sheet was written on a yellow background, that stuck to cardboard.

This sheet was studied a dozen times.

I'm going to fire this worm that began to climb.

Then, I'm going to fire that bastard in.

9.29.78

The microphone + headphones
A man was reading and [a woman was very talky]

[a woman was a woman]
[I saw a woman]

who were similar

A smarter man was reading and [a taller woman]
[I was tickling a taller woman]

than we had ever seen before

NB also

Vergnond's fact (cited by Arag, p. 253) that the two determiners here must both be definite or both be indefinite.
As to give: 3 seem do to ask those change little.

Displacement forms - all these space given.

Here bone than other kids. Here is this all 05 to do why since, but to shape 6.

Brain stem, even larger. My brain get bigger. Kind with I Go 17 to this one.

6) Ghost first

A man escaped and a woman was caught who were similar.

But: A man was singing and there was a woman humming who were similar.

There was a man singing and there was a woman humming who were similar.

I was watching a man yesterday, and you were looking at a man yesterday; who were similar watching a woman the day before, who were similar.
Letter

This week I will start my next project.

I will work on it next week.

Son the following week I will go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.

I will also go to the library.

I will need to find some books.

I will also go to the bookstore.

I will need to buy some books.
