Purpose

The purpose of this report is to inform you, the undergraduate students of Kinesiology of an athletic event that will be taking place at the beginning of February. It is also to provide you with the details and background of the event and its hostesses.

Event Information

The event is a 3 vs. 3 basketball tournament that will be approximately three hours long. All students of any school, including Kinesiology, with a big interest in sport, are encouraged to find a team of any three students and compete. The entry fee is $30 a player, so $90 a team, with an additional $10 up charge if a fourth member is requested. All proceeds will be going to a non-profit organization.

Important information to remember for the event:

- When: Saturday, February 6 from 5:30 to 8:30 P.M.
- Where: IM Building located on State and Hoover
- Who: All Students (even if you do not want to compete, there are other activities planned)
Not only will this event be going towards charity, but it will also be a fun way to interact with different social groups around campus. At the same time, fun and exercise will also be present which should make for a great event.

**Presented by Alpha Delta Pi**

University of Michigan’s sorority, Alpha Delta Pi are presenting, hosting, and putting together the entire event. The girls helped plan, advertise, and promote the event, as well as, will help run the operations throughout the night. Much of the information in this report was helped and provided by a sister, Sarah Irie, Philanthropy chair of the sorority. According to their website, Alpha Delta Pi, also known as simply ADPi holds a variety of different events and projects throughout the school year. While many of them are focused toward Greek Life, such as their event “Mr. Greek Week,” there are also a multitude of activities and events for all students such as the one being discussed in this report.

Other events throughout the year include:

- Halloween bags for the Mott’s Children’s Hospital
- Peace Neighborhood Tutoring
- Crisler Arena clean-ups
- Walk for Diabetes
- Evans Scholars 5k Run
- Dance Marathon Volleyball Tournaments
- Several volunteers for Bookmarks
- Habitat for Humanity in Detroit

(http://www.umich.edu/~uofmadpi/ADPi.html)

Again, all of these activities and projects are put on by the girls and were chosen to represent the type of sorority they embody: caring, active, and creative.

Jordan Voran2
National Philanthropy

ADPi's national philanthropy affiliation is with the Ronald McDonald House charity (RMHC). Because of this, all proceeds from February Frenzy will be going straight to this particular organization. According to Alpha Delta Pi’s website, the sorority was recognized by the RMHC in 1987 for donating over $2 million to the Houses.

As an organization, the Ronald McDonald House provides homes for families of those with cancer members in their family who are not able to live near the hospital for some reason, usually money. Their family member’s hospitalization is so expensive that often times they have no other choice. The Ronald McDonald House provides solutions to these troubled families and runs strictly off donations of others.

As many of you know, we have a Ronald McDonald House here on campus, located next to Mary Markley Dormitory, so this really hits close to home. Any of your help whether it is participating in the 3 vs. 3 basketball tournament, entering in the contests and raffles, or just donating will positively affect the community around you.

Registration

Team registration forms can be found online or you can simply as an Alpha Delta Pi member. It is a simple process, which includes filling out the team form, writing all checks payable to “Alpha Delta Pi Sorority, Beta Eta Chapter,” signing the liabilities waiver attached to each form, and submitting everything to Sarah Irie, Philanthropy Chair by February 4, 2010.
Again if there are any questions, contact either Sarah Irie or any other ADPi around campus.

February Frenzy
The 3 vs. 3 basketball tournament will be Co-ed and done in a round robin format. This means that each participant will play the other at one point or another.

Prizes will be awarded to many applicants throughout the day, not just the winners of the competition. There will be 50-50 raffles, “hot-shot” competitions, and games throughout the three hours in the IM building.

Refreshments will also be included with pizza, pop, sandwiches, energy drinks, hot dogs, etc. In fact, Ann Arbor’s Ray’s Red Hots will be sponsoring and catering the event so their food will be available to all as well.
Donations will definitely be accepted during the event. You do not have to participate in the activities to make a difference, just show up.

Conclusion
Alpha Delta Pi is in association with the Ronald McDonald House Charity. In order to contribute to this fund they are putting on an event that you, the undergraduate students of the University of Michigan can and should be intrigued to be a part of. Three hours out of a Saturday night will be entertaining, filling, and good exercise and fun all at the same time. Join in on the February Frenzy.
