

## **Pioneer Men's Soccer Program Fees 2009**

This year, the cost of participating in the Pioneer soccer program will be an all inclusive fee of \$120 for both freshmen and junior varsity players, and \$150 for senior varsity members. These fees will cover uniforms, equipment, senior night activities, end of season banquet, memory book, assistant coach salary, and two pairs of game socks and practice shirts that the players will keep. These are all necessary costs that we have to account for because the school district only pays the head coach's salary, referee and transportation fees. All other expenses are covered primarily through player fundraising efforts and through the generosity of parents and business sponsors. I understand that these are very difficult times for many so we appreciate your willingness to help support the program.

Please feel free to contact Coach Shabazz ([Shabazzsoccer@gmail.com](mailto:Shabazzsoccer@gmail.com)) or our program treasurer, Mrs Petra Flanagan ([petraf@umich.edu](mailto:petraf@umich.edu)) if you need assistance with setting up a half/half down-payment plan. Currently, we will offer an installment plan with August 18<sup>th</sup> and September 18<sup>th</sup> as the payment deadlines.

Additionally, all extra uniforms, warm up and UnderArmour clothing that are requested must be funded by the players.

Lastly, the Varsity team will be headed to Putinbay in Middleburg Heights Ohio from August 19-21, and the general cost of this trip will be funded by the program. The players will be responsible for the \$14 round trip ferry tickets and a \$20 fee that will go directly to meeting transportation and food costs (\$34 total). These fees will be expected on Tuesday August 19<sup>th</sup> when we have our season orientation meeting.

Thank you very much for your assistance,

Lumumba Shabazz
