

Join us for the Fall Preview Event

Preview participants can expect to:

- Participate in a variety of activities and workshops on applying to graduate school at the University of Michigan, one of the largest and most vibrant research communities in the country.
- Engage in small group discussions with ample opportunities to ask questions.
- Meet one-on-one with faculty.
- Socialize with current graduate students.
- Tour campus with other prospective students.
- Explore the beautiful, culturally diverse city of Ann Arbor.

PiBS

When: October 7-9, 2015

Where: University of Michigan, Ann Arbor

Who should apply: Students from racial and ethnic minority groups, low-income family backgrounds, first-generation U.S. citizens, and first-generation college students who are interested in pursuing a PhD are especially encouraged to apply. *(Students must be U.S. Citizens or Permanent Residents to be eligible.)*

Find more information and apply online at medicine.umich.edu/phd

Priority Application Deadline: 8/1/2015

Final Application Deadline: 8/14/2015

Space is limited for this all-expenses-paid event. Expenses include travel, lodging and on-campus meals.

The Program in Biomedical Sciences (PIBS) is an interdisciplinary gateway program that offers access and coordinates admissions to 14 participating Ph.D. programs. Designed to offer students maximum flexibility during their first year, PIBS allows entering students to immediately begin training in any of the participating programs, or take a course of study compatible with several programs.
