Student 2

Molly always explained the material in a way that I understood. Usually if I was lost/unsure about a concept, I had a better understanding after leaving discussion. I found this discussion very useful and Molly was very accommodating. The office hours were at an inconvenient time though, but that was just for me.

It was excellent.

Student 14

Great instructor, explained material very well.

Student 15

Instruction of the course was very good, and I learned additional information then taught in lecture.

Student 16

Molly was amazing GSI. Explained information very clearly, notes were easy to follow, helped me outside of class with questions.

* The quartiles are calculated from Fall 2011 data. The university-wide quartiles are based on all UM classes in which an item was used. The school/college quartiles in this report are based on lower division classes with an enrollment of 16 to 74 students in Division of Social Sciences in the College of LS&A.
