## PROFILE:

As a recent graduate of architecture school, I am looking for my first position in a related field. Thanks to my experience as president of Evans Scholars, I possess strong leadership skills which allow me to adapt to new challenges.

## KEY ACHIEVEMENTS:

### **2012** *Stuart B. Smithson Leader of the Year*

A top honor among Evans Scholars awarded to one senior from across the country for continued leadership during the four years in the scholarship house.

### **2012** *Raoul Wallenberg Honor Award*

Each year the architecture program exhibits and juries the best work from the final undergraduate design studio. This award is the highest possible received by a student while studying at Taubman College of Architecture & Urban Planning for a design project.

## WORK EXPERIENCE:

### **Point O' Woods Golf & Country Club Benton Harbor, MI**

#### **2004-2012** *Caddie*

As an honor caddie, my duties included providing strategic advice, reading greens, and gauging distance for players while building relationships with the membership, as well as training new caddies.

#### **2005-2012** *Outside Service Manager*

Responsibilities as a senior staff member included providing any and all assistance to members and golf professionals, learning the tendencies of members and anticipating and delegating tasks.

### **Alpha Delta Pi Sorority Ann Arbor, MI**

#### **2008-2012** *Kitchen Supervisor*

Responsibilities included filing each staff position daily and recording hours worked by each individual through efficient communication each week. Also assisted the house chef, bus and set tables.
