## DENTAL MATERIALS GROUP CHAPTER AADR

February, 1991

Hello Everyone!

I hope that everyone had an enjoyable and healthy holiday season. As the annual meeting draws near, the activity level of the DMGC-A has increased. There are several important items in this newsletter, so please read this Newsletter carefully.

- 1). The **Constitution and Bylaws Committee (C&BL)** have been putting the final touches on the new C&BL for the DMGC-A. The committee has worked long and hard to finalize the revisions and changes to match those of the AADR. Enclosed please find a copy of the updated C&BL's. The general membership will be voting on acceptance of this document at the Acapulco meeting, so please read them and be prepared to vote at the General Business meeting to take place in Acapulco. Our thanks go to the committee and especially to its chairman, Steve Schaffer for all of their hard work.
- 2). It is time for the **annual election of new officers** for the DMGC-A. Enclosed find a copy of the ballot and a return envelope for mailing the ballot to the Teller, A. Jon Goldberg. The candidates for President-Elect are Jack Ferracane and John Keller and the candidates for Secretary are George Baran and Steve Schaffer. The slate of candidates for this election were prepared by the Nomination Committee, consisting of Jon Goldberg, Clyde Ingersoll, and Gerry Charbeneau.
- 3). Enclosed please find a reservation form for the **annual DMGC-A Banquet**. This year Vickie Marker and Frank Young have put together a Mexican delight which should prove to be a real treat. Please send your reservation form and check directly to Vickie as soon as possible so that final arrangements can be made.
- 4). The entire Executive Committee would like to share in the wonderful news that our **Treasurer, Don McKenzie** has received a new heart transplant and at last word, was doing quite well. Our thoughts and best wishes go out to Don and we all hope you will be able to get back to the swing of things real soon.
