

If you're a local grower...
sell Michigan-made products...
offer organization memberships...
present classes related to cooking, gardening or health...
or have anything else to do with gardening, cooking, sustainable living, fitness or health,

Join us for HomeGrown Festival 2010
6 – 11 pm, Saturday, September 11 • Ann Arbor Farmer's Market

***4 ways to raise awareness of your company
and keep the momentum going!***

○ ***Become a Festival Sponsor:***

Your donation is fully tax deductible and can earn valuable promotional benefits for your company or organization.

○ ***Host a Made-in-Michigan Table:***

Host a table for \$75 where you can promote and sell locally made products or services that relate to the objectives of the festival. **Products must be made in Michigan by your business.**

○ ***Donate a product or service for the Silent Auction:***

Food, gift certificates, classes, memberships and more – these are easy ways to provide support to the festival while raising awareness of your business or organization.

○ ***Donate products/services to be sold in the Festival's Local Store:***

Proceeds will go to support the Festival. **Your business must be Michigan-owned and the donated products must relate to the objectives of the Festival, but need not be made in Michigan.** (Click here for Local Store Details.)

I'll contact you in the next couple of weeks to follow up, discuss these options and answer any questions you may have. In the meantime, we invite you to visit the Festival website to learn more about Southeastern Michigan's most exciting new event!

Rita Conrad, HomeGrown Festival Fundraising Coordinator
