

# Local Food Summit 2012

Visioning Session  
December 20, 2011

What might the summit look like?

# Scoping Exercise

- Discuss topics of previous summits
- Climate action topics
- Reproducible model – foodshed wide
- Non bandwagon outreach – youth & restaurants
- Geographic access
- Joy, fun, energizing, and creativity
- Is it a problem if we get bigger?
- Keep the local food victories!!! (2010 networking incentives)
- Move from strict education to what's our regional context into action...
- Actionable outcomes!! (add to title, hands-on 101 (garden creation, community organizing),
- Networking and creating network
- Keep networking incentive

# Scoping Exercise

- Creative component – a la 2009 summit
- Slow money financing
- Connecting system – geographically, structurally, greenways, history, branding,
- Regional context - Farm Bill, farm to institution, MI food hub, MI food policy council, good food charter
- Food is health
- Food (in)security
- Making good food work example
- Not much bigger than 2010
- Each sector of foodsystem group time
- Second day option

# Potential Themes

- Let your local food flag fly
- Local branding/economies
- Know your farmer know your foodshed
- Food Hub...
- EACT (eat-action)
- Occupy your foodshed
