# Gateway exam

- A timed online exam to check your understanding of Chapter 1 material
- 8 questions, 20 minutes long
- There are two versions of the gateway exam on WebWork:
  - “Practice Gateway”: You can take this as many times as you want. The questions are similar to the official gateway, but this does not count for credit
  - Official gateway: you can take this up to 2 times in any 24 hour period.
- You must answer  $\frac{7}{8}$  questions correctly on the **Official** gateway to pass
- The gateway will be available September 5 through September 18
