CURRICULUM DEVELOPMENT:

- Developed a new curriculum for a fine art Photography program within the Residential College of the University of Michigan. Incorporated both analog and digital processes including B&W and color film processing, B&W darkroom printing, Alternative Processes, and inkjet printing.
- Developed the curriculum for a Digital Arts Foundations course for the University of Toledo. Developed an online version of the course which won a Blackboard Exemplary Course Award. It was the first online course offered by the art department.
- Developed an entire Photography and New Media education department for the Toledo Museum of Art School of Art and Design. Wrote curriculum & course descriptions, selected equipment, designed a traditional and digital darkroom, recruited other instructors. Managed all fiscal matters.
- Developed a program of eight non-credit courses on digital photography for Washtenaw Community College. Wrote all course descriptions, syllabi, and handouts. Selected appropriate software and hardware.
- At Owens Community College, developed and wrote the curriculum for all their digital photography courses. Helped develop two *Associate of Arts in Photography* degree programs.
