

# MATH 116 - 030

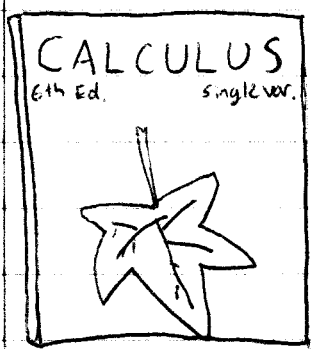

Best way to reach me.

Who?

TREVOR HYDE  
tghyde@umich.edu  
www-personal.umich.edu/~tghyde/

What book?

It is called "Calculus" by Hughes-Hallett and a swarm of other people.

6<sup>th</sup> Edition

Consider getting an electronic copy  
↳ super convenient.

(artists depiction of the textbook)

Calculator?

Of course! It needs to be able to graph, numerically integrate, and all that good stuff. It cannot be on your phone (for the exams.)
