World’s First Cities
Anthropology Honors Seminar 258.002 (2001)

Course bibliography for final paper on ancient cities

The following basic references are culled from extensive bibliographies and designed for use in the class on world’s first cities and specifically to be points of entry to research for the term paper. The sources found in this bibliography will lead to further references. See instructor for further bibliographic advice. (Essays in Nichols and Charton, eds., one of the texts for the seminar, are not included.)
