Athletic Department Update

Once again, the Summer Olympics provided all University of Michigan athletic fans with a chance to cheer their athletes during the month of August. But how many of you knew that going into the 2004 Summer Olympic in Athens, a current student or graduate of the University of Michigan had won a medal in every Summer Olympiad since 1900 and a student or graduate of the University of Michigan had won a gold medal in every Summer Olympiad since 1956 (except for the 1980 US boycott year)? And when the games ended in Athens, the Wolverines kept their streak in tact.

The United States swim team placed a pair of Michigan swimmers on the gold-medal podium as the U.S. won the men’s 800-meter freestyle relay at the 2004 Olympic Games with a time of 7:07.33.

Junior-to-be Peter Vanderkaay swam the third leg of the finals, giving the U.S. a one-length lead heading into the final 200 meters of the race. Both Vanderkaay and former Wolverine Dan Ketchum (2001-2004) helped Team USA earn the top seed in the finals as a member of the prelims squad. The Americans clocked in with a time of 7:12.80 in the prelims.

In the same race, junior Andrew Hurd swam the third leg of the relay for Team Canada, which finished fifth overall in 7:13.33. Hurd was the only Canadian to top his personal best in the event with a split of 1:48.09.

Board Thanks Sylvia Lang & Roberta Zald

A non-profit organization such as M-Women™ relies on the efforts of volunteers to accomplish its mission and goals. The M-Women™ Board Members wish to extend a thank you to two very special women, who have devoted their time and energy to the association.

Sylvia Lang
Immediate Past President Sylvia Lang had a long tenure as board president, serving for about the past nine years. She said she believes she joined the M-Women association some time after 1988, and began serving on the board in the early 1990’s. The board is grateful to Sylvia for bringing the association into the 21st Century. Sylvia played field hockey for U-M from 1973-1977. Her position was left wing.

Roberta Zald
Roberta Zald volunteered numerous hours the past few years (she is not sure exactly how many) as the M-Women™ newsletter editor. As editor, Roberta not only was responsible for newsletter production and layout, but also combed news reports and the athletic department web site to keep us updated on women’s varsity athletics for the Sports Reviews. The board appreciates all the hard work Roberta devoted to the newsletter. Roberta is a charter member of M-Women™ and played Field Hockey from ’74-’77 (4 years), basketball in ’75-’76 (2 years), and Softball in ’78.

M-Women™ Newsletter in Transition

Supporting Women’s Basketball

M-Women Pledges $20,000 for 2004—2005 Promotions

When you open the local sports section this fall, you’ll see the M-Women logo prominently featured on ads for UM Women’s Basketball season tickets.

When you sit in your reserved seat at the games, the M-Women logo will be on the cover of your seat, asking you to join us at our website, www.m-women.org.

When you tune in to home/away games on WTKA radio; or connect to the internet; when you listen to the new pre-/post-game shows or the weekly call-in with Coach Cheryl Burnett, you’ll know that M-Women’s dollars are at work.

For over thirty years, M-Women has been dedicated to supporting UM women’s athletics.

We have made a number of large gifts: $50,000 for capital improvements; trips, equipment, posters for individual teams; targeted contributions to the athletic department to start new programs for student athlete orientation; sexual awareness workshops; and media relations training.

In each of the last ten years, we have given at least $10,000 to UM women’s athletics. At the beginning of each fiscal year, we solicit proposals for funding from the UM athletic department and from the coaches.

This year we had a unique opportunity to partner with the UM Women’s Basketball program.

Head Coach Cheryl Burnett, on a mission to raise her program to national prominence, requested funding for: print and broadcast media advertising; seat covers for season ticket holders; radio coverage of all home/away games; a post-game show. Her goals: raise regional awareness; fill the house; create an avid fan base through consistent coverage.

Our generous members have consistently urged us to be bold with our awards, to make a real difference for women’s athletics. We had been waiting for just such an opportunity.

So, in July, the M-Women Board authorized a gift of $20,000 to the UM Women’s Basketball program to cover Coach Burnett’s requests for the 2004-2005 season. This large, single-year award is a first for M-Women. With your support, we will continue to fund projects that make a real difference. And very soon we’ll all be trying to get seats at the Final Four!

We are proud partners in this exciting enterprise! Over the last few months we have worked out the details of the gift with Coach Burnett; Megan McCallister, Associate Athletic Director, Corporate Development; and Bess Tortolani, Assistant Director of Corporate Development and Marketing, Sports Marketing Department. We’ve looked at ad copy, sampled seat colors and shapes and checked out many versions of our logo. We even renamed and registered our website. We are sure you will approve!

If you are local, be sure to call the UM Ticket Department for season tickets or for individual games. If not, we hope you will come to the games when you are in town.
